

THINGS TO DO AND TO KNOW IN AND AROUND OUR TOWN ...

RESTAURANTS

There are at least 8 restaurants in a radius of 2 km. For breakfast / lunch I will suggest **Kilimanjaro Cafe**. **Frutos do Mar** for dinner and night time fun, as they have a games room that cater for young and old. Have a look at both Facebook pages or contact:

FISHING CHARTERS

Vila la Mar Vilanculos has it's own resident experienced fishing guide, Christiaan Kruger. Christiaan can show you the wonders of the Bazaruto Archipelago and take you on a light tackle charter or trawling expedition, hoping to land the fish of a lifetime, such as the famous Black Marlin.

Please see his Instagram page for species details or contact him directly on **+258 84 522 3747 | @christiaankruger**

Taurus is our supermarket in town and has more or less everything you may need from South Africa with good meat. You can buy beer from **Handling**, the wholesaler in town, at 780 MZN per case of 2M/ Manica. Most spirits are available at **Tio Pepe** also in town - at the same price or cheaper than SA.

Pao (Portugese bread rolls) are also available everywhere in town. There is a bakery about 800m from Vila La Mar, below the Vodacom tower-by far the best pao in town. You can also get sliced bread from the **Total** garage every day.

DIVING OPERATORS

We have two diving operators in Vilankulo. Both offer certification, refresher and advance courses. Day trips should be booked well in advance and operators should be contacted directly.
